

“Apples, Apples”

Storybook

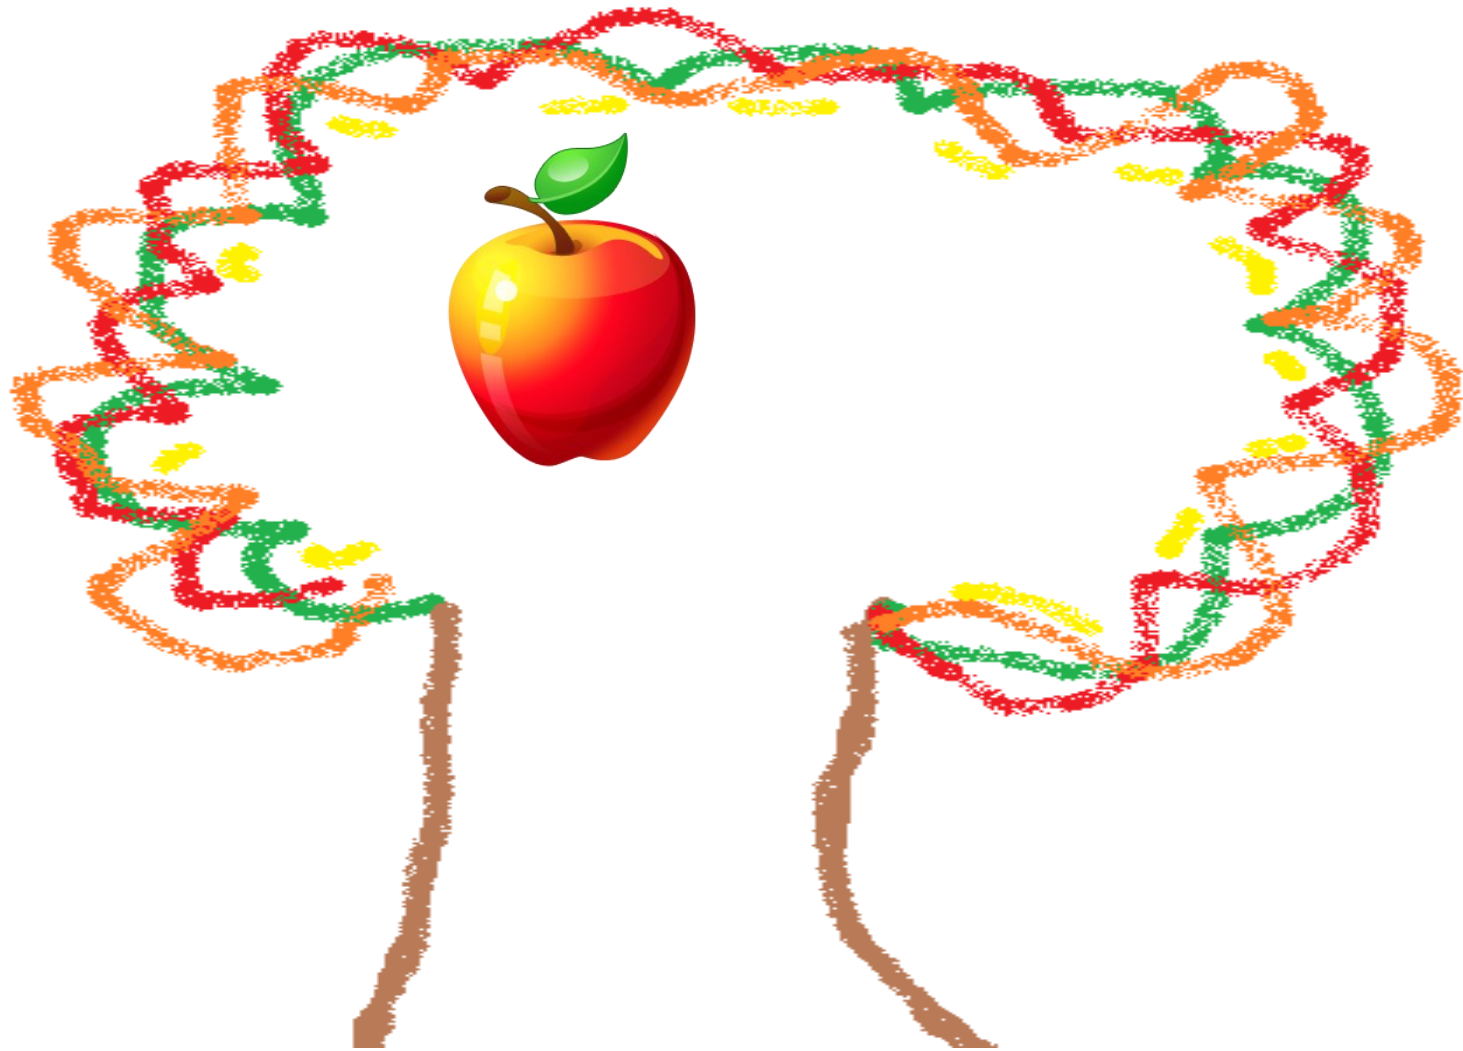

An apple is a fruit. We eat
apples.

There are a lot of foods made
from apples.

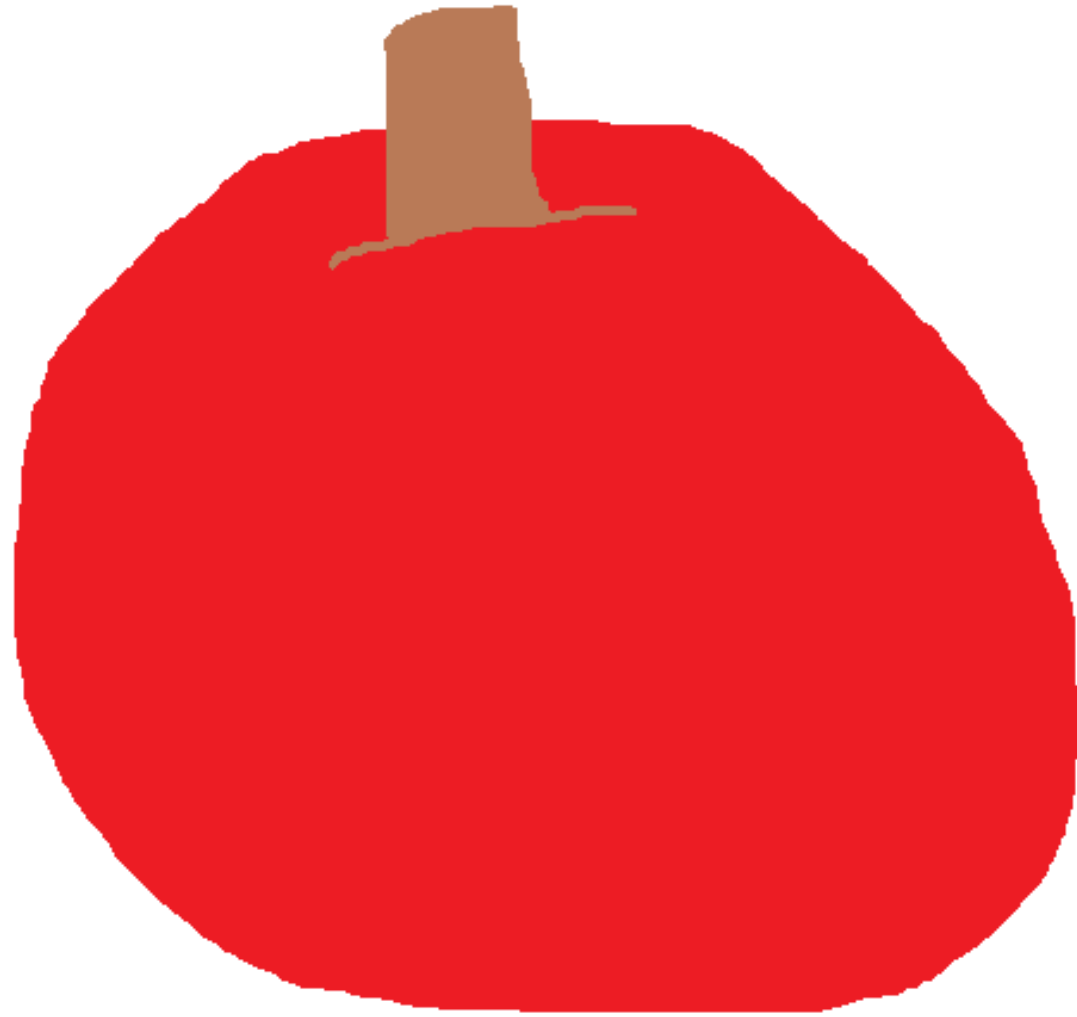

When you cut an apple open,
there are seeds inside.

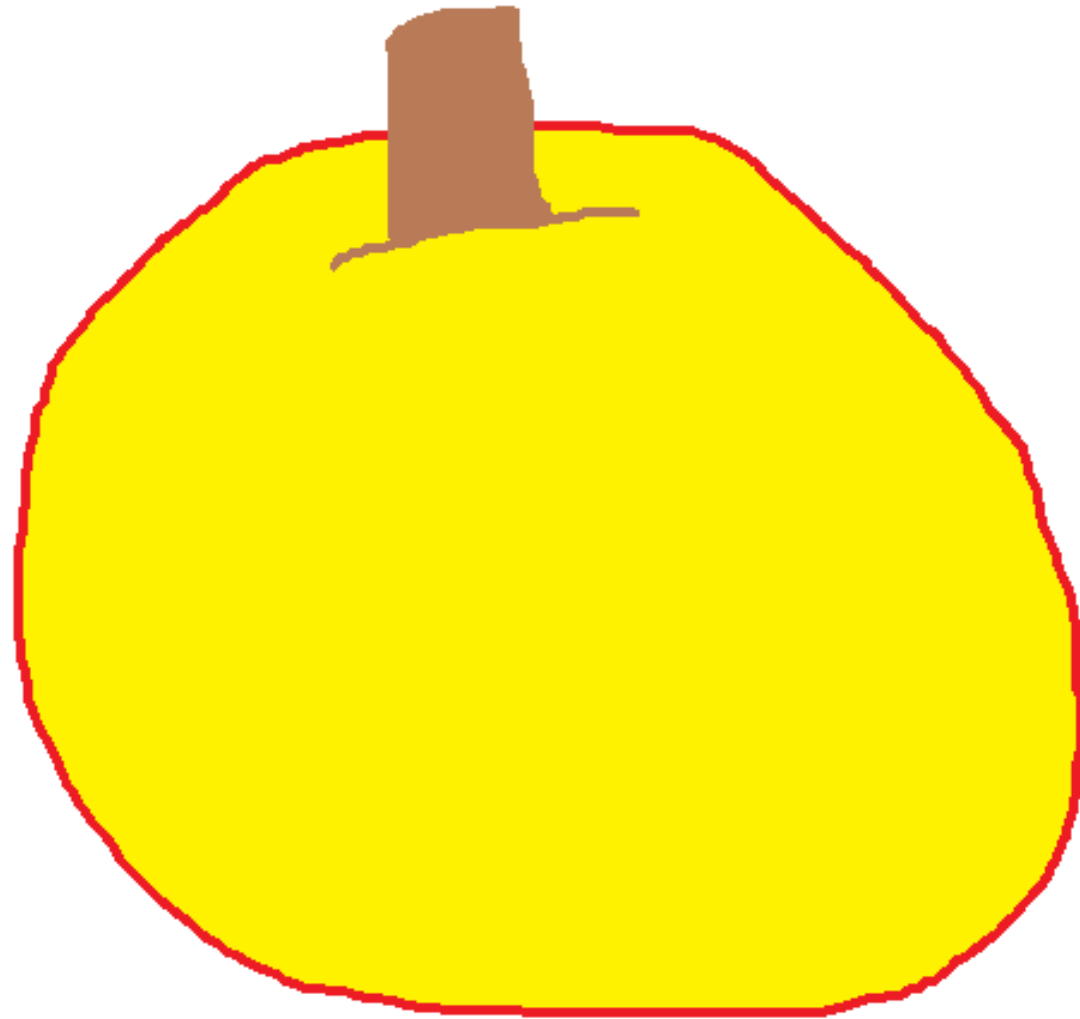

Apples grow on trees.

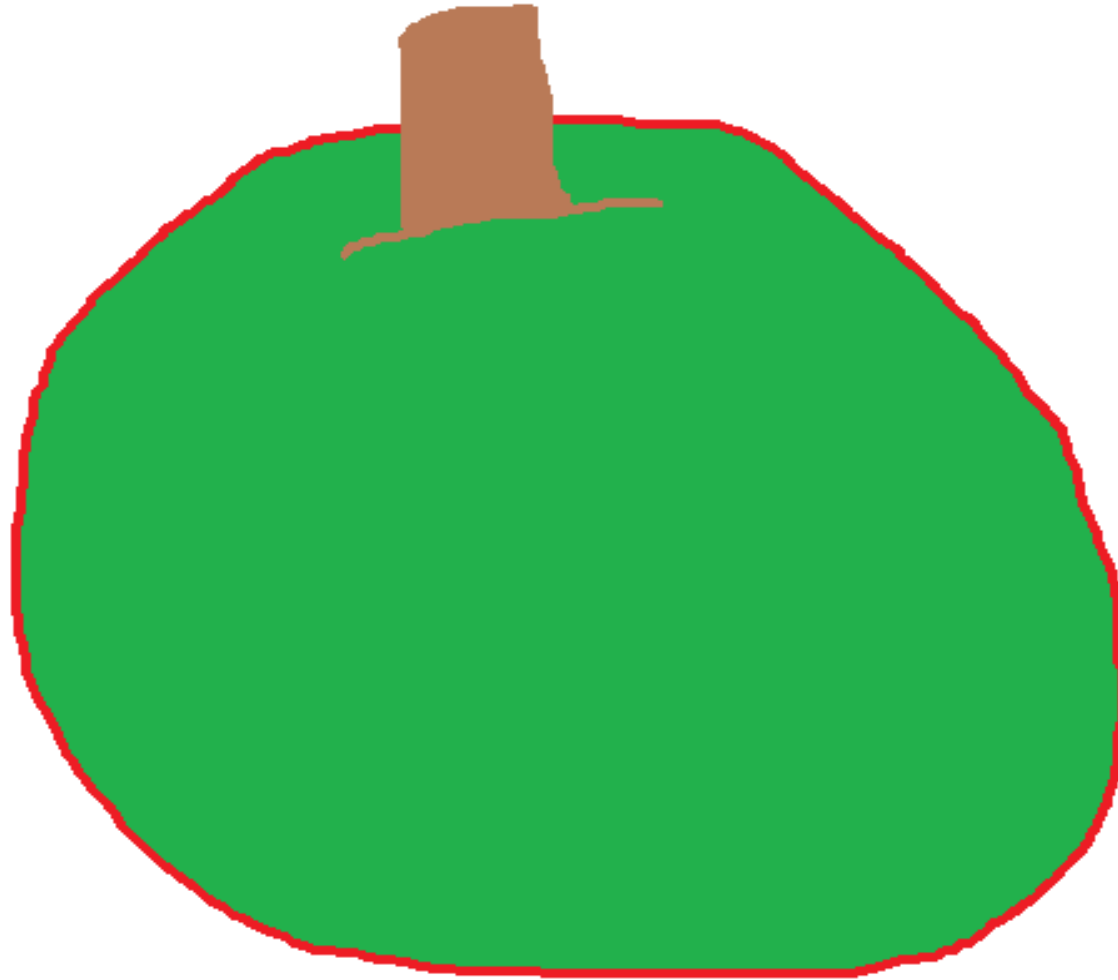

Apples can be different sizes
and colors.

This apple is red.

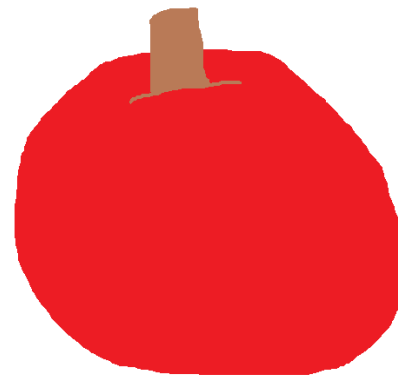

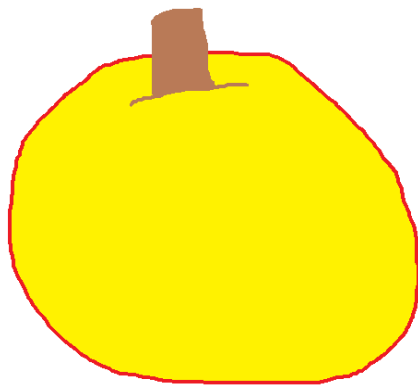

This apple is yellow.

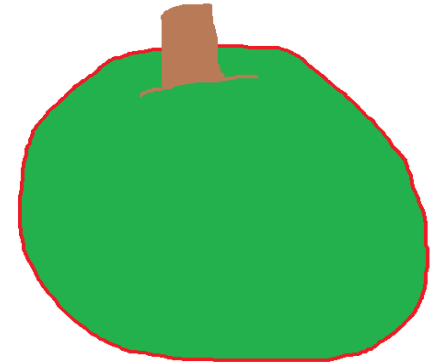

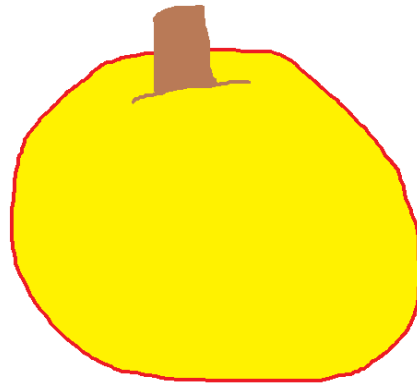

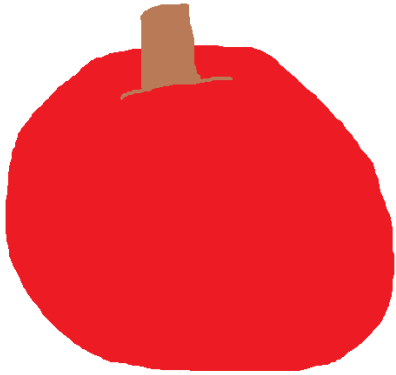

This apple is green.

In the fall, apples are ready to be picked from the trees.

Can you count the apples on this
page?

Can you name the colors of the
apples on this page?

Apples are sweet and juicy.

Apples are yummy to eat!
