

ABC Math

Ages 4 years to 5 years

Objective: The child can solve math problems using the letters in the alphabet.

Materials needed:

ABC Math Worksheet (printable)

Pencil or Crayon (for them to write with)

Procedures:

1. Have your child solve the math problems on the worksheet.
2. Do with them for guidance and understanding.
3. While solving math problems, make sure you re-address what each of the letters are, and have your child say them.

ABC Math

Ages 4 years to 5 years
