Extension Activities and Resources

Assessment Rubric: At the end of every letter unit. For parents to keep track of their child's learning for each activity completed. This is an easy way to manage the skills they have mastered, and those they need to continue to work on with their parent.

Music: Letter Kk Song & Rhyme (for music and movement)

Infant Activity: Letter Kk exploration to build sensory development in infants.

Tuesday: Complete the letter Kk activity

Activity Procedures:

The activity today is going to involve keys and key holes. Let your child practice putting your house key in the door key holes. For "trial and error" learning, have them put the keys in the car keyholes. Did it work? Which keys fit in those key holes? Buy some locks with keys at any store (Lowe's, Home Depot, Wal-mart) and have your child practice putting the keys in, locking the lock, and unlocking it again with the key.

Milestones:

The child can use fine-motor skills to put keys in holes and unlock.

Go through this word list with your child. Write out each of the words individually on strips of white paper.

How to Teach: Spell out each word together, point to the letters as you do so (have child point with you), and after it is spelled out, have child repeat and say the full word out loud. You can draw a small picture of the larger words (nouns) next to the word written out to help with reading skills and recognition.

Word List:

know	kit	kite	king
kiss	knife	keep	kid
key	kangaroo		

Assessment Rubric:

Fill out after completion of each daily lesson. Check the box that is accurate to the learning of your child for each activity. If you checked "some" or "no" understanding; you **must** revisit those concepts with your child at another time for learning to occur and "full understanding" to be mastered.

Infant Activity

Materials needed:

Keys

What to teach:

Sit with your infant on the floor. Hold up keys in front of them. Dangle them, shake them, and rattle them to make noises. Encourage your infant to grab at them. They will definitely want to put them in their mouth so make sure to rinse them off first! Allow them to learn and discover using their senses of touch, taste, hearing, and sight.

Milestones to meet:

Sensory discovery—building fine-motor skills, cause and effect, auditory and tactile development
