Child builds language and letter awareness

Child explores through textile learning

L is for Lima beans.

Letter of the week "Ll"

Tuesday: Complete the letter Ll activity

Activity Procedures:

Find leaves outside with your child. Take them inside and one at a time, put a leaf under a sheet of white paper. Have your child use a crayon or marker to color over the paper where the leaf is, making "leaf print rubbings". You can also build math skills by sorting and grouping leaves by similar or different characteristics.

Milestones:

The child uses fine-motor skills to color.

The child sorts like & unlike characteristics.

Letter of the week "Ll"

Wednesday: Read the eStorybook letter Ll with/to your child

* Print and read it to your child, OR have your child sit in your lap and read it with you from the computer screen

Letter of the week "LI"

Go through this word list with your child. Write out each of the words individually on strips of white paper.

How to Teach: Spell out each word together, point to the letters as you do so (have child point with you), and after it is spelled out, have child repeat and say the full word out loud. You can draw a small picture of the larger words (nouns) next to the word written out to help with reading skills and recognition.

Word List:

let	line	low	list
Lee	live	long	love
lie	laugh	leaf	light

Assessment Rubric:

Fill out after completion of each daily lesson. Check the box that is accurate to the learning of your child for each activity. If you checked "some" or "no" understanding; you **must** revisit those concepts with your child at another time for learning to occur and "full understanding" to be mastered.

Activity:	Food Sensory Art	Letter Activity	eStorybook	Objects list	Word list & Tracer pages
Child participates					
Child shows no understanding					
Child shows some understanding					
Child shows full understanding

Infant Activity

Materials needed:

Laces from shoes

What to teach:

Place the laces on the floor or highchair tray in front of your infant. Encourage child to build hand-eye coordination by grabbing at the lace strings. Hold the lace strings up high and watch as your infant will reach up to grab it. Move it from one side to the other, and watch to see if your infant will follow the lace string with their eyes from side-to-side. Let child explore laces in order to learn.

Milestones to meet:

Hand-eye coordination, Grabbing development

Sight awareness, following objects
