Tuesday: Complete the letter Vv activity

Activity Procedures:

The activity today will require you and your child using your VOICE! Sing children's songs together such as ABC's, Twinkle Twinkle, Itsy Bitsy Spider, Row Row Row Your Boat, 10 Little Indians, and If You're Happy & You Know It. Do the actions that go along with your child. Then, ask your child what kinds of different tones you can make with your voice? Loud, quiet, whisper, stutter, mumble, & regular talking. Try it!

Milestones:

The child builds language development through songs, rhymes, and movement.

Go through this word list with your child. Write out each of the words individually on strips of white paper.

How to Teach: Spell out each word together, point to the letters as you do so (have child point with you), and after it is spelled out, have child repeat and say the full word out loud. You can draw a small picture of the larger words (nouns) next to the word written out to help with reading skills and recognition.

Word List:

very

vet

voice

vote

vent

vase

Assessment Rubric:

Fill out after completion of each daily lesson. Check the box that is accurate to the learning of your child for each activity. If you checked "some" or "no" understanding; you **must** revisit those concepts with your child at another time for learning to occur and "full understanding" to be mastered.

Activity:	Food Sensory Art	Letter Activity	eStorybook	Objects list	Word list & Tracer pages

Infant Activity

Materials needed:

Shoes with Velcro (or pieces of Velcro if you do not have any shoes with them at your house)

What to teach:

Sit with your infant on the floor. Place the Velcro shoes in front of them. Model and show your infant, teaching how to open and close the Velcro. Say the words "open and close" as you do the actions. Repeat that process showing your infant about 5 times. Encourage them to grab at the Velcro to either open it, or close it after you.

Milestones to meet:

Concept of open and close

Language development to associated action

Fine-motor development
